Remove the red and blue lines before saving the files. Leaving the line on will result in it being printed as a design element! In order to properly display the advertisement, all important elements should be inside the protective area marked with **red line**. Background and graphics must fill the entire printable area marked project marked with **blue line**. If there is no fill between the red and blue lines, a white frame will appear on the printout.

Download and work on the graphic design template on the next page of this PDF. If there is more than one, prepare the projects in separate files.

Guideline Label Legend:

top
1410x1410 mm

The image shows a technical drawing of a circular object's top view. It consists of two concentric red circles. The inner circle is labeled with the word "top" in bold black font, and below it, the dimensions "1410x1410 mm" are written in a standard black font. The outer circle is larger and does not have any text labels. The entire drawing is centered on a white background and is enclosed within a blue border.
